

We hope that you and your family are doing well post Hurricane Harvey.

There is an **urgent need** for your assistance at NRG Center. There are roughly 4,000 displaced Texas residents due to Hurricane Harvey at NRG Center. Harris County would like to provide around the clock healthcare to these guests. There is an urgent need for psychologists, LPCs and LSWs. These are rare events and it is both challenging and very rewarding to take part in these relief efforts.

The 4-hour shifts begin at the following times: 7 a.m., 11 a.m., 3 p.m., 7 p.m., 11 p.m.

We are currently scheduling support thru September 30. All shifts are available. If you are able to volunteer, email admin@houstonpschiatry.org with the following information:
